### **Reporting Absence**

Please use the following email address to report any absence:

parkside-6th@ParksideCC.org.uk

You cannot be marked as present if you are not in school!

- If your teacher is absent and sets cover work, you need to go to see Jo who will mark you in the register. You will then complete the work in Eden Centre ground floor classroom.
- If your timetable is such that you have a day with only one lesson on it, and you have a long commute, please let Rachel Biltcliffe know. In these circumstances, if that lesson would be cover, then we may be able to authorise working from home. This will need to be done on a case by case basis.
- If you have only one lesson that day, you must email <a href="mailto:rachel.biltcliffe@parksidecc.org.uk">rachel.biltcliffe@parksidecc.org.uk</a> and I will decide, in discussion with Mr Morrison, on a case-by-case basis regarding authorising these absences.

#### You are expected to attend all lessons unless an acceptable reason is given:

 Medical appointments should be made for outside of lesson times unless this is impossible. You may be asked to show evidence (e.g. appointment text) that this appointment has been made.

If you are unable to attend a lesson, you or your parent/guardian need to email

- Sixth Email parkside-6th@ParksideCC.org.uk
- Rachel Biltcliffe Rachel.Biltcliffe@ParksideCC.org.uk
- And your teacher(s)

If you want to ask for a planned absence, you will need to contact Mr Morrison – <a href="mailto:Craig.Morrison@ParksideCC.org.uk">Craig.Morrison@ParksideCC.org.uk</a> to receive formal permission via a form. This would be for all planned activities such as university visits or holidays.

#### **CAS OPPORTUNITIES & NOTICES**

### OPEN EVENING

Well done everyone - I heard lots of visitors saying how impressed they were with your confidence! Remember to write up the evening this weekend into your CAS portfolio. Explain exactly WHAT you did (setting up? tours? explanation of what taking a particular subject involves?). You might also want to write a short reflection. Sometimes talking to others about the IB makes you reflect about how YOU feel about it! You might also want to comment about the advantages of being in a small 6<sup>th</sup> form in the heart of Cambridge and what you value most about your year group.

Lastly you could ask the member of staff with whom you were working to send a confirmatory email about the part you played during the evening.

**CAS WEEK** takes place in the last week of this term. You will hear soon about the opportunities of working alongside members of staff with the special projects they are running with Year 7-9.

CAS PORTFOLIOS - Is yours up to date? A good time to catch up. Don't leave it – there is an expectation that the CAS you have done this year is written up completely by the end of term.

## Y12 & 13 - Social Mobility Week

**Social Mobility Week through Cambridge City Council.** The scheme is a week-long and designed for students from low-income backgrounds who are interested in pursuing work in the creative sector.

The scheme is entirely free (lunch and transport also provided) and from 18 - 22 July

Students will spend each weekday with a high-profile Cambridge based employer learning what it's like to work in the creative industry, along with a day of resilience training with Cambridge United.

Following the success of our 2020/21 VWEX Programme Morgan Sindall Construction are continuing to offer Virtual work experience nationally to students from Y10–13.

Student engagement was amazing, with students maximising the chat function with guest speakers being asked more quality questions than in previous in person events. The programme is inclusive of all abilities, and we are encouraging students from all demographics to take part.
