Reporting Absence

Please use the following email address to report any absence:

parkside-6th@ParksideCC.org.uk

You cannot be marked as present if you are not in school!

- If your teacher is absent and sets cover work, you need to go to see Jo who will mark you in the register. You will then complete the work in Eden Centre ground floor classroom.
- If your timetable is such that you have a day with only one lesson on it, and you have a long commute, please let Rachel Biltcliffe know. In these circumstances, if that lesson would be cover, then we may be able to authorise working from home. This will need to

be done on a case by case basis.

- If you have only one lesson that day, you must email rachel.biltcliffe@parksidecc.org.uk and I will decide, in discussion with Mr Morrison, on a case-by-case basis regarding authorising these absences.

You are expected to attend all lessons unless an acceptable reason is given:

- Medical appointments should be made for outside of lesson times unless this is impossible. You may be asked to show evidence (e.g. appointment text) that this appointment has been made.

If you are unable to attend a lesson, you or your parent/guardian need to email

- Sixth Email - parkside-6th@ParksideCC.org.uk
- Rachel Biltcliffe - Rachel.Biltcliffe@ParksideCC.org.uk
- And your teacher(s)

If you want to ask for a planned absence, you will need to contact Mr Morrison – Craig.Morrison@ParksideCC.org.uk to receive formal permission via a form.

This would be for all planned activities such as university visits or holidays.

CAS OPPORTUNITIES & NOTICES

CAS

This weeks Open Evening provides a great opportunity for you to gain CAS service hours! You could also gain CAS creative hours if you helped to set up a display with a member of staff! When you do your writing up, describe the WHAT of the evening, (tours, talking to potential students etc) and then in a reflection you might want to say what you felt about the whole process. Sometimes in talking about the IB you can think about the advantages of doing this qualification as against doing A levels. You might also reflect on the things you really like about being part of a small and quite unique 6th form – what is it which makes it special?

Remember to ask the member of staff to send you an email confirming the help you gave on the evening!

CAS week in the last week of this term – watch out for the opportunities to help with the lower school!

Y12 & 13 - Social Mobility Week

Social Mobility Week through Cambridge City Council. The scheme is a week-long and designed for students from low-income backgrounds who are interested in pursuing work in the creative sector.

The scheme is entirely free (lunch and transport also provided) and from 18 - 22 July

Love video games? Interested in film? Want a job in the creative sector?

Students will spend each weekday with a high-profile Cambridge based employer learning what it's like to work in the creative industry, along with a day of resilience training with Cambridge United.

Student engagement was amazing, with students maximising the chat function with guest speakers being asked more quality questions than in previous in person events. The programme is inclusive of all abilities, and we are encouraging students from all demographics to take part.

This is an immersive week with tasks that require access to a laptop or tablet with working microphone.
